

## **HighPoint Solutions, LLC Thrives in the European Market with Opening of Second Office in Switzerland**

**EAST NORRITON, PA — February 10, 2015** — HighPoint Solutions, LLC., a premier management consulting and specialized IT consulting firm for the pharmaceutical and medical device industries, announced it will be opening an additional office in Zug, Switzerland on March 1<sup>st</sup>.

HighPoint opened its first European office and Headquarters in Geneva, Switzerland in October of 2013 to meet increased demand from local customers and partners.

“Our office and operations in Geneva continue to be a critical focus for us as a company and the high caliber talent we employ. As demands for our services expand, we need to grow as a company to continue to effectively support both our clients and our employees.” said Arnab Sikder, Executive Vice President and GM, European Operations “Our office in Zug is another step in our continued expansion internationally.”

HighPoint continues to provide specialized services specific to Europe and other international regions in the areas of Commercial Excellence, Pricing and Market Access, Regulatory Compliance, Pharmacovigilance, and Research & Development.
